

## PRE-UNIVERSITY LEVEL 2

Students who have completed O Level / SMA 2 / equivalent can enroll in our University Foundation Program. Students from Pre-University Level 1 can progress to Level 2 before they continue to the University programme. Students will be introduced to active learning methodologies like problem-based learning to develop soft skills in critical thinking and communication. Upon completion of the program, students are able to enter our Business Studies Program or start their freshman year with one of our Academic partners.
